About FOSTIIMA

FOSTIIMA - A UNIQUE B-SCHOOL

FOSTIIMA was established in 2007 by the alumni of IIM Ahmedabad (**FOSTIIMA** is an acronym for **F**riends **O**f **S**eventy-**T**hree batch of **I**I**M**A) with the aim of imparting quality management education benchmarked to the IIMs.

FOSTIIMA provides an IIM atmosphere and excellent career opportunities to those who have not been able to make it to the IIMs.

FOSTIIMA has the largest group of IIM Ahmedabad graduates working together with the sole intent of 'giving back to the society'. Not only is it founded and managed by IIMA alumni, today more than 35 IIM / IIT alumni are directly providing inputs at FOSTIIMA – in management, curriculum design, content development and as faculty. They bring with them their vast corporate experience, industry best practices and global business perspectives to FOSTIIMA students.

At FOSTIIMA, we take great pains in mentoring students with the sole objective of grooming them to their peak potential so that they can carve out a successful career for themselves and also make a positive contribution to the society, business and industry.

FOSTIIMA Differentiators – Total IIMA Flavour

FOSTIIMA STRENGTHS

MANAGEMENT EDUCATION WHICH INCULCATES CRITICAL THINKING IN AIDING BUSINESS DECISIONS

Management education at FOSTIIMA focuses on developing the analytical skills of students to help them to analyze management problems from multi-functional perspectives and to provide them a practical perspective of management to enable them to apply text-book management concepts and techniques to practical situations that they are likely to encounter in their work-life.

The FOSTIIMA course curriculum is benchmarked to the IIMs. It is contemporary, in tune with the needs of the industry and is focused at making the students job ready.

The curriculum is updated at regular intervals based on inputs from eminent academicians and industry experts. Care is exercised to encapsulate knowledge inputs in all new and emerging areas. FOSTIIMA offers **Dual Specialization** to its students with each specialization having equal importance.

ADDITIONAL CUTTING EDGE CERTIFICATIONS

FOSTIIMA students are provided the opportunity to study additional courses such as **Predictive Analytics, Six Sigma Green Belt, Digital Marketing, Business Analytics, Big Data Analytics, Artificial Intelligence (AI), Block Chain, Crypto Currency, Machine Learning**, which further enhance their job prospects. Separate certificates are provided for the advance study of these courses to those students who qualify by passing the exams with greater than 75% marks

CURRICULUM

The areas of specialization are:

1. Marketing
2. Finance
3. Human Resources
4. Analytics & Operations
5. International Business

In addition to core and specialization subjects, the curriculum includes a number of cutting-edge subjects such like Business Analytics, Digital Marketing, New Trends in Marketing, Emerging Technologies, etc.

FACULTY

The FOSTIIMA Faculty is a special strength of the Institute. Almost all the faculty members are alumni of the IIMs who have several years of experience in the corporate world as senior managers at positions like Vice President, President, COO or even Managing Director. They share their rich, practical experience with FOSTIIMA students in the class. Thus, a FOSTIIMA class is a unique mixture of theory and 'Experiential Learning', a methodology adopted by the best B-Schools in the world like Harvard, Stanford and the IIMs. This helps FOSTIIMA student to become practical and job ready even before completing the program.

Team Building & **LEADERSHIP CAMP**

Every year the students go for a Team Building Camp in an exotic location in the Himalayas, in the state of Uttarakhand. The camp is set up in a multi facility area. Small groups are sent out in batches in order to achieve maximum learning.

The students participate in many activities such as Rappelling, River Crossing and Hiking amongst others. One of the team building activities includes taking over the camp kitchen and preparing their own meal!

The students are also encouraged to live in an eco-friendly manner and reduce their carbon footprint. The camp is organized and managed by an IIM(A) Alumnus, Samir Bhatia, a reputed international trainer. Over the years, students have been to Manali, Jim Corbett National Park, Rishikesh & Nainital.

ENTREPRENEURSHIP DEVELOPMENT CENTRE

FOSTIIMA Business School has set up an Entrepreneurship Development Centre at the Campus to help the students with entrepreneurial aspirations to start giving shape to their business idea even while pursuing their PGDM education.

INTERNATIONAL EXPOSURE & EDUCATIONAL TRIP

FOSTIIMA provides its students an opportunity to broaden their vision and develop their personality by an Exposure-cum-Educational International Trip to give them a first-hand experience of interaction with foreign students and their Faculty.

The main purpose of the trip is to showcase to the students the international culture and business environment at a selected location either in the Middle East or Far East.

While the trip structure entails cross-cultural heritage and constructive relationship building to facilitate globalization of Indian business, it is also a lot of fun for the students. Last year the students were taken to Dubai.

FOSTIIMA PLACEMENTS

FOSTIIMA students have been offered out-standing placements for the past many years. Placements are not only 100% but are of exceptional quality with good profiles at attractive scales in reputed organizations.

FOSTIIMA maintains close contacts with corporates through its wide network of PAN IIM-IIT Alumni, who command leadership positions in prominent Indian and MNC corporations. Through the network, FOSTIIMA ensures **Campus Placements** of its students in various companies across sectors at attractive packages commensurate with their talent.

Our current placement average salary is 10.76 LPA and Median salary is 11.30 LPA. **We also have a "SELECT GROUP of Students with high CAT/XAT percentile to whom we offer a pre committed placement in the range of 10-25 LPA.**
